Subject: California Prop 65

Dear Valued Customer;

This letter is in response to a request that was made via your company's contact with regard to California Prop 65 substance(s) usage in the products that are used to manufacture parts in our Pelham, New Hampshire facility.

Our suppliers have provided documentation stating that their products do not intentionally contain materials listed on the California Prop 65 list as of April 21, 2023.

Pelham Plastics is providing this statement in good faith, but no warranties are made, and no liability is accepted. Please be aware that we do not perform any specific analysis in order to verify the claims of our raw material suppliers. Pelham Plastics Inc. will keep track of any relevant changes regarding this compliance certificate and keep customers informed of any updated information. These statements do not bind Pelham Plastics Inc. to any legal obligations.

I hope that the information that we have provided satisfies your requirements. If you have any questions or should require any further information, please do not hesitate to contact either your account manager or myself at your earliest convenience.

Sincerely,

Scott Smith
